Dear Sir:

The Applicants respectfully request a one month extension of time. The required fee is submitted herewith. Accordingly, this response is timely filed.

In response to the Notice to file missing parts of nonprovisional application, please also find a Preliminary Amendment.

REMARKS

In the Notice to file Missing Parts of nonprovisional application the drawings have been objected to because of the failure to comply with 37 CFR 1.84(u)(1) and 37 CFR 1.84(o).

To eliminate this objection, the Applicants have amended the specification by incorporating Figures 2-5 as originally filed into the body of the specification. This has been done by the way of a Preliminary Amendment submitted herewith.

In the unlikely event that the patent office determines that extensions and/or other relief is required, applicant petition for any required relief including extensions of time and authorize the assistant commissioner to charge the cost of such petitions and/or fees due to our deposit account no. 03-1952 under order no. 355592000200. The assistant commissioner is not authorized to charge the cost of the issue fee to the deposit account.

Respectfully submitted,

April 22, 2002
